Minimalism to maximum effect

Purist but not monotonous; confidently modern but far from overbearing. That is *Options* – with various coup plates, hollowware, bowls, and table accessories – one of the most comprehensive collections from Bauscher. Simple yet varied designs – circular, triangular, or square, they may all be mixed to create myriad arrangements. Whatever idea lies behind the presentation of a dish, *Options* effortlessly takes it up and expertly trains the spotlight on what is essential. **Design:** Atelier Bauscher by Brigitte Johannes und Ottenwalder & Ottenwalder, 2001

THE PORCELAIN OF TOMORROW – SINCE 1881

*The well-proportioned contours
of Options lend the table setting
confident composition.*

Open to new ideas

Every article in *Options* shines through in different roles. The platter, for example, can double as a spectacular plate. And a small bowl can become the centerpiece of a great idea. Everything goes together visually, and different décor items can add contrasts. *Options* is all it takes to turn a spontaneous idea into a fresh, new concept.

Décor: Solid. Further décor alternatives for the Options collection are featured in the décor and articles overview on pages 5–6.

Curves meet angles

Be it a leisurely breakfast, a quick lunch, or a gala dress dinner, these items come together to form continuously new and exciting arrangements. With its clear design language, *Options* provides the perfect porcelain for every occasion.

Décor Service

Porcelain shows its colors

Bauscher has always stood for design that sets standards in professional porcelain, not only in the shaping of any given article but also in its extraordinary colors. We take great pride in our Atelier. Day in and day out, the designers at our in-house studio create new, unmistakable décors in close coordination with our customers. Whether elegant colors, fine vignettes or vivid patterns – a décor is an important message in gastronomy that sets an establishment apart and underscores its personality.

Our special forte: custom-made designs

Our studio's portfolio encompasses a collection of more than 25,000 décors. Anyone who cannot decide from such a huge choice can simply have their own individual décor created. Our décor studio provides tailored solutions for every wish - classic logos or word marks as well as elaborate patterns and decorations on rims and mirrors. We remain at the customer's side throughout the production process, sharing our experience and creativity from the first draft to final delivery.

Accentuating with colors

The Bauscher décor studio offers the most diverse color and font options to customers seeking a tailored look. Countless brilliant colors and typefaces await - inspired design ideas are all it takes to bring them to life. Of course, we are also happy to use our customers' proprietary typefaces and color definitions. Our Atelier can accommodate almost every wish. Working with state-of-the-art technology, we apply all our skills and enthusiasm to create décors that inspire our customers and their guests.

Personality begins where comparison ends

With high-quality porcelain an establishment presents not only the kitchen's finesse to the guest, but also an important part of its personality. The significance of an individual décor is impossible to overestimate. It raises recognition value in the competitive hotel and gastronomy industries. It treats the guest to a coherent overall impression and demonstrates that quality is a top priority for the host. In times when guests can choose from the diverse gourmet offerings from all over the world, custom décor is decisive in making a good and lasting impression.
